League Championship Shoot-off: The top twelve (12) scoring competitors in the Snow Country English Match Aggregates (Match 7, and 14) will be invited to the Jackson Sportsman's Club in April for a shoot-off to decide the winner of the Snow Country English Match Series in each category. The course of fire will be:

120 shots for record, prone, slow-fire, 50 ft., USAS-50 Target, per category (F-Class, Metallic Sights, Any Sights)

The high scoring competitors will be the Snow Country Champions. All competitors qualifying will receive a commemorative item in honor of making "the Cut".

- Note: Due to staffing of each match date, alternative times may be allowed for the completion of the required shots for range personnel.
- Note: You do not need to fire on each date. You need to only complete all 240 shots over the five (5) months. You may compete in more than one category. If you qualify for the shoot-off in more than one category, you must choose which you will compete in one week before the shoot-off.
- Note: You may re-fire unlimited matches. The cost for the re-fire is the same as a regular match. You must specify which match you are re-firing prior to beginning the re-fire. The higher of the two scores will count for your aggregate.

- Note: Each location is responsible for the safe operation of the matches held at their sites. The SEMNO High Masters takes no responsibility for the operation of any of the local matches. They are completely the responsibility of the local club running the match.
- Note: The SEMNO High Masters reserves the right to disqualify scores from any location based upon evidence of improper scoring or activities not in compliance with the NRA rules for smallbore rifle competitions.

Award Disposition: There must be 5 or more entries in a class for one award, 10 or more for two awards, and 15 or more for three awards. If there are five (5) Junior and/or five (5) collegiate competitors in more than four of the fired matches an award for high Junior, and/or high collegiate will be provided.
